VIII. Concluding Remarks

MMS Committee Essential Purpose: Evaluate MMS building and grounds and make recommendations regarding future use relative to the educational needs of the district and overall benefit for the community.

MMS Committee Objectives:
- Evaluate the Milford Middle School building and grounds
- Determine what can be kept as value from the Milford Middle School property
- Preserve the educational and community value of the property
- Clearly communicate the value of the Milford Middle School property to the community
- Determine future usage of the property
- Develop a plan that allows the property to be a valuable community asset
- Preserve a positive identity of the property
- Provide means for community feedback and input
- Maintain trust and positive relationship with the community
