The Milford School District recognizes the need for fundraising activities to support various student groups. No commitments to fundraisers shall be made until they are approved through the appropriate process. All fundraiser proposals must be submitted to the building administrator for approval. The building administrator will review and approve or deny the fundraiser proposal. If the fundraiser is approved, the building administrator will submit the approved fundraiser form to the District Office for final review and approval. A calendar of approved fundraisers will be maintained by District Office staff to minimize overlapping fundraisers throughout the district. If consideration is given to a fundraiser that encourages students to sell items in exchange for a reward or sell items door to door within the community, the district will review the fundraiser with the Milford Board of Education prior to any district approval. Under no circumstances will a fundraiser supporting the use of alcohol or tobacco products be approved.

Fundraisers that request donations of cash through crowdfunding websites and email communications (i.e. GoFundMe, Snap-Raise, etc.) are discouraged. Fundraisers through supplies and material donation sites such as DonorsChoose may be approved through the appropriate process.

All money raised through fundraising activities shall be deposited in the student activity account of each school and shall be handled according to the accounting procedures established by the district. Under no circumstances shall funds be deposited into a personal bank account of an employee or advisor.

Fundraisers that sell food and beverage items, whether sold in school or the community, shall meet the nutritional standards set forth in the district Wellness Policy (Board Policy 3304a) in compliance with USDA Federal Standards.

Concession sales at school activities outside school hours may continue the sale of items previously included (i.e. candy, baked goods, pizza, soda), but must include healthy alternatives (fruit juices, bottled water, fruit, vegetables, whole grain baked goods) that meet the “Guidelines for Healthy Fund Raisers.” Healthy items must be prominently displayed and equally promoted with the other items.
