Given the exigencies of Covid-19 and as required by the August 26, 2020 Twenty-Fifth Modification: State of Emergency Declaration ("Order"), the Milford School District adopts this temporary attendance policy, as an extension of Board Policy 5403 Student Attendance K-12, of which this temporary policy shall expire without further action on the date the rescission or modification of the Order is effective.

Attendance may be based on a combination participation in, completion and/or submission of assignments as determined by existing practices.

It shall be the responsibility of the teacher or designated staff member to record attendance in eSchool. Excused and unexcused absences for any period of time shall be recorded consistent with existing practices.

- In addition to the excused absences listed in Board Policy 5403 Student Attendance K-12, the following will be considered excused absences:

The District, through its schools, will provide outreach and support when students and/or families are not participating.

STUDENT ATTENDANCE, K-12

1.0. SCHOOL ATTENDANCE - STUDENT ABSENCES AND EXCUSES

The Milford Board of Education requires that all students attend school regularly and in accordance with the laws of the State of Delaware.

The Milford Board of Education expects every person residing in the Milford School District who has legal custody, guardianship, or legal control of students enrolled in Milford School District Schools to be informed and responsible for the regular and punctual patterns of attendance of all enrolled students in the District. Therefore, at the beginning of every school year, each school shall notify each student and the parent of each student of the school attendance requirements of 14 Del. Code, Chapter 27, and the Milford School District.

The Superintendent of Schools of the Milford School District is charged with maintaining a comprehensive system of attendance records. **Classroom teachers and building principals are to maintain accurate records of student attendance, absences and tardies throughout the entire school day.**

School sponsored activities are exempt and will not count toward the student’s absentee record. However, students who approach the maximum number of allowed absences may be prohibited from participating in school-sponsored activities, unless otherwise required by Federal or State law. The final decision will be made by the building principal.

The parent/guardian and the student share the responsibility of developing the best possible attendance pattern. Parents/guardians can assist in this by doing the following to minimize absences from school:

1. Schedule medical and dental appointments after regular school hours.
2. Schedule family vacations at times that do not interfere with school.
3. Contact the school if a student absence will extend longer than three days.
4. Make arrangements for homebound instruction if your child is medically certified as unable to attend school for an extended period.

Letters to parent/guardian and phone calls (using the most recent contact information provided the school) will be used throughout the school year to inform parents/guardians and students of the accumulation of both EXCUSED and UNEXCUSED absences. Parents/Guardians are also encouraged to contact the school to inquire about student absences if questions arise.

The Milford Board of Education defines absences from school as either "excused" or "unexcused."
2.0. EXCUSED ABSENCES

The following will be considered excused absences with proper documentation:

a. absence associated with student illness;
b. absence associated with a family emergency with acceptable explanation;

f. absence associated with a suspension;
g. absence associated with other reasons such as religious holidays, family vacations, college visits (11th & 12th Grades only), IDEA related testing, or as approved by the principal,
h. absence associated with a community sponsored event (i.e. church, regional or national competition)

3.0. UNEXCUSED ABSENCES

Following the 10th unexcused absence by a student, the parents will receive a warning letter regarding truancy court. The following will be considered unexcused absences:

5.0 RETENTION/DENIAL OF CREDIT FOR EXCESSIVE ABSENCES

Students are required to attend class regularly at the secondary level in order to receive academic credit for a course (Grades 9 – 12). Students in grades K – 8 are required to attend class regularly in order to receive the instruction necessary to be successful at the next grade level.

a. Following the 7th day of an unexcused absence in a semester class or the 14th day of an unexcused absence in an entire year course, the building administration will meet with the student and the parent/guardian to discuss and attempt to rectify the attendance issue.
b. Unless otherwise required by IDEA or Delaware law, after the 10th unexcused absence in a semester (for any reason) or 20th unexcused absence in an entire year course (for any
reason), the student will be denied credit for that course (Grades 9-12) or retained in the current grade (K-8).

c. An attendance appeal process is established to provide reasonable explanation for extreme cases.

d. If a student is denied credit for a course, he or she is expected to remain in the course to establish the needed pre-requisite coursework for future courses.

e. Any student sixteen (16) years of age or older, who is absent more than fifteen (15) days unexcused in a semester course and/or absent thirty 30 days unexcused in a year-long course will be considered for an administration withdrawal expulsion hearing which will occur in accordance with procedural due process requirements.

6.0. TARDINESS

The term “tardy” will be defined as being late to school, class, or an activity, with or without permission of parents/guardian or school personnel. The District, in consultation with building staff, will establish a specific definition of what constitutes “being late to school, class or an activity.” Consequences for violation of tardiness will be included in the district code of conduct. The teacher will counsel with those students who are developing a pattern of being tardy. The teacher will refer to the principal those students who in the teacher’s judgment are not making progress towards correcting the problem.

Students who accumulate more than twelve (12) lates to school shall be referred to the attention of the visiting teacher/home-school liaison just as excessive absence is reported. For reporting purposes (i.e. Truancy Court) four (4) tardies is the equivalent of one unexcused absence from school.
